

# Wanted New Jersey Tax Cheats!

---

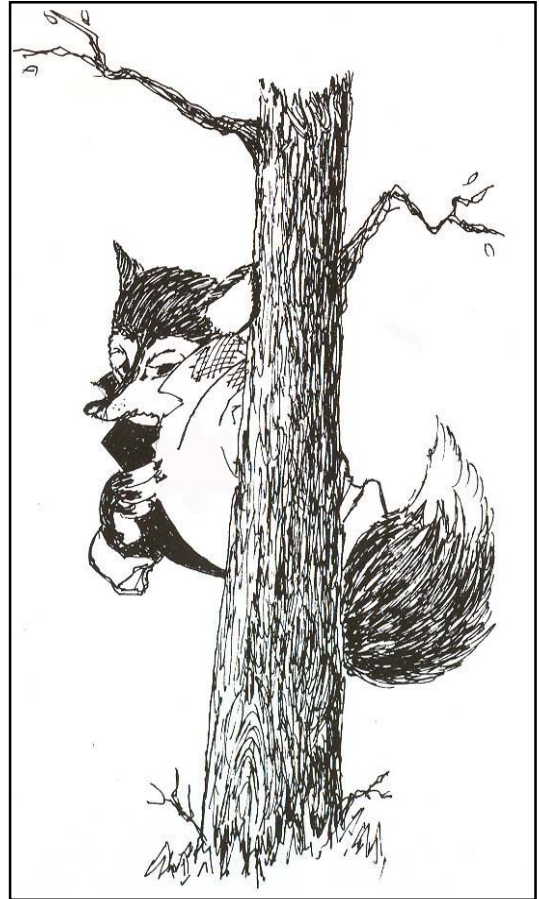

It is time to stop carrying the burden alone. New Jersey Tax Cheats are causing the State to lose revenues every year.

If you pay your State taxes, why shouldn't the tax cheats who readily accept State services?

You know who the cheats are!

- Retailers who do not charge sales tax when they should.
- Employers who don't withhold payroll taxes.
- Businesses who have an unfair advantage over their competitors because they neither charge the required taxes nor pay their own business and personal taxes.
- Individuals who are dishonest in completing their New Jersey Income Tax Returns or don't file returns at all.

Help us identify and locate the Tax Cheats in New Jersey.

**Call the CATCH (Citizens Against Tax CHeats) Hotline at 609-292-6400** or write to the New Jersey Division of Taxation, Compliance Activity, PO Box 190, Trenton, NJ 08695-0190.

You need not give your name, but please be prepared to give us as much information as you can about the tax cheat.
